

In support of Taras, Liuda & David

This year, our community will rally around the Ivakh family, beloved parishioners who face significant medical challenges. Husband and father, Taras, is working hard to provide 24/7 care for his wife, Liuda, who is wheelchair-bound due to rapid onset of Multiple Sclerosis and kidney failure, requiring dialysis every other day. Their 10-year-old son, David, who is autistic and nonverbal, is a cherished member of our ALL IN Ministry and special education Sunday Church School class. All funds raised will provide financial relief for medical and living expenses and legal fees for this Ukranian immigrant family working toward American citizenship.

PASTA FOR A PURPOSE

Sunday, March 22 after Divine Liturgy, Dine In or Carry Out
